Extraordinary entertainment for a magical wedding day

"We cannot recommend Chris enough.

The ceremony was our favourite part of the day! It evoked exactly the emotions we wanted and created the most beautiful atmosphere.

We have received so many compliments. Our parents, our guests and we were delighted with it"

# Congratulations

Hello you beautiful people. Congratulations embarking upon the wonderful journey of wedding planning! I am so happy for you both and would love to help you organise an exciting, enjoyable and memorable day.

Its a real honour to share the most important day of your lives with you. Your wedding day is extremely special so I set myself the highest standards, with everything crafted, planned and personalised to ensure that your special day is nothing short of magical.

I have met many hundreds of couples just like you over the years, many of whom are now my closest friends. From intimate gatherings to grand celebrations, I promise to exceed your expectations and together, we will create wonderful memories that will last a lifetime.

Let me guide you through this enchanting journey as you begin to plan your perfect day. Together, we will bring your love story to life in the most extraordinary way imaginable.

Welcome to a celebration of love, life and laughter!

# Your Magical **WEDDING HOST**

As your dedicated wedding host, I look after your friends and family and keep your special day running smoothly, ensuring everyone's in the right place at the right time (you don't want Auntie Beryl missing the cutting of the cake!).

An experienced wedding co-ordinator, I am your point of contact for your wedding suppliers, so nothing is left to chance. I'm on hand ready to swiftly take care of any problems, answer your questions and bring you anything you need (your wedding butler for the day!)

We had our wedding outside on a pier but Chris was up for the novelty.

He was just incredible and worked his way around all of the guests  
wowing them with his amazing tricks.

We cannot recommend him more highly.

Thank you for your part in making our day perfect!

# Your Magical **MASTER OF CEREMONIES**

In a contemporary twist to the traditional toastmaster, I am on hand to make your important wedding day announcements. Together we will create a grand wedding breakfast entrance to make sure your day is celebrated in spectacular style.

I bring my special blend of comedy and magical mind-reading to your reception. You can leave it to me to create a relaxed vibe that brings all your guests together and give everyone plenty of laughs and mind-blowing gasps.

# Wedding close up **MAGICIAN**

Add a unique and memorable magical touch to your special day.

While your guests enjoy reception drinks I'll use my magic and mind-reading to spread laughs, gasps and groans (I tell the best dad jokes!). Magic is a sensational ice-breaker, bringing together people who've never met before and bonding everyone together for your special day.

As well as creating a fun atmosphere, my magical entertainment helps to calm any pre-camera nerves and sets up some fantastic photos to capture the looks of amazement.

The magic continues during the wedding breakfast. As you and your guests enjoy a leisurely meal, I bring the entertainment to your tables to provide more laughs and magical surprises.

# Wedding **CELEBRANT**

Every special wedding day starts with a fabulous ceremony, one that perfectly captures your love for one another in your own style and celebrates your unique perspective on life and love.

Personalised ceremonies are becoming increasingly popular as they allow you the freedom to express your love in your own way. Having your own independent civil celebrant opens the possibilities to do your own thing. Make it funny, read a poem, sing a song or tell a story, anything to make your day a memorable celebration.

I love guiding my couples through traditional ceremonies like hand fasting and sand ceremonies, right through to more the more unusual and even totally bizarre.

A civil celebrant also offers you the opportunity to choose a venue that hasn't been licenced for weddings. Why not have your ceremony in a park, in a tipi, on a boat or at the end of a bungee jump? I'm up for it if you are!

# Perfect Packages to suit every budget

One thing I have learned attending 100s of weddings over the years, every wedding reception is different. Don't need a host all day? No problem - the half-day package will fit you perfectly. Maybe you don't need a host at all and are just looking for a bit of wedding entertainment - that's what the magic-only package is for!

I have three incredible packages available

- Full-day host, emcee and entertainment
- Half-day host, emcee and entertainment
- Simply Magic wedding entertainment

With the hosting packages I'm on hand to

- Greet the bridal party and guests
- Direct guests
- Announce the wedding breakfast
- Introduce the speeches
- Announce key moments (cutting the cake, first dance, bouquet tossing)

We hired Chris to perform at our private party and I cannot recommend Chris enough!

We were so impressed, we have even booked him for our wedding!

Our guests are still talking about him and were in awe of all the tricks!

Chris gets everyone to relax, communication was great and he blended seamlessly into our wedding day.

Thank you so much for making a special party, even better!

# FULL-DAY HOST, EMCEE & ENTERTAINMENT

My top-of-the-range, VIP package.

I'm your Magical Host, Wedding Emcee and Master of Ceremonies from bridal prep until after your first dance.

Should any problems arise during the day, you'll have someone who has been there, seen it all before and is calm and ready to fix it.

I'll be the first person there to warmly welcome your guests and keep everyone entertained before the ceremony and while the photographs are being taken. For camera-shy friends and relatives, it's a great way to put them at their ease and create some brilliant photo opportunities.

As your wedding host I'll tactfully guide your guests to where they need to be and make all the key announcements to keep your day on schedule. As the entertainer, I'll wow everyone with my magical mind-reading, including a mini-show to warm up the crowd ready for the speeches.

With the half-day package, I'm your emcee and entertainer from the start of your reception until after the speeches.

From the moment your ceremony has finished I take care of your friends and family warmly welcoming them to a special wedding day. As everyone waits to be photographed, I use my magical mind-reading to entertain and surprise them – perfect for capturing natural, documentary-style snaps.

Throughout the reception I keep everything running smoothly with perfectly-timed introductions and announcements. Add to that the magical entertainment – including a mini-show before the speeches – and you and your guests will have a truly memorable time.

# SIMPLY MAGIC WEDDING ENTERTAINMENT

Magic and weddings are a perfect match. Everyone loves magic and it is a great way to break the ice and gently let guests get to know one another with something sensational to talk about.

The best time for close-up magic during a wedding is right after the ceremony, during the cocktail hour while you are having your photos. I'll baffle and delight your guests with hilarious jokes and mind blowing magic before helping guide them into the wedding breakfast.

Here you can choose an optional hour of table magic while starters are served, or a stand up style cabaret to warm up the crowd ready for your speeches

# ABOUT ME

I've never had a real job. My first job after school was as a croupier in a casino. Since then I have been a property developer, landscape gardener, film extra and now a wedding host and a hilarious magician! Anything to stay away from an office job.

My love for magic and theatre started when I was 8 years old. My parents volunteered at a summer camp and I taught myself to juggle and unicycle. When I moved up to senior school, they had a juggling club and I performed at many local schools and taught 1000s of people how to juggle..

My friend and I put together a magic and juggling show and we performed at many talent shows and festivals. That ignited my passion for performing great magic. I can't remember a day since when I haven't been practicing or performing.

I instantly fell in love with weddings. I consider it a huge privilege and honour to be invited on such a special occasion. I take real pride making sure everyone is having the best time possible and that any little snags are taken care of before they are noticed. I know there is no one in world that is more passionate about making everything a success. Hosting a wedding is not a job to me - it is far more important than that.

I was extremely lucky to find Chris after searching tirelessly for a magician for our wedding.

He was so easy to communicate with, completely professional and set up a zoom meeting for us straight away.

At no point did he try to force us to book him like the others had but actually let his mind-blowing act do the work for him.

I am so pleased to have found Chris and will absolutely recommend him as he truly is magical and will make any occasion super special.
